

High Fives!

For those who go the extra mile!

Happy Teacher Appreciation Week! ð

Sending thanks to:

Nichol Ostopowicz – for your flexibility and accepting my last-minute plea for help with multiple maps for my grant applications!

Kevin Wiesmann and Brian Udovich – for proofreading, questioning content, and your help making sure I had the applications ready for print!

Kathy Hart – for being my final set of eyes, and for helping to print and organize the files for the grants so they are submitted professionally!

I appreciate the help and thank you for being part of the team! *Mary Truman*
